Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 08 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Very warm and sunny today. Heavy showers tomorrow.

Today:
A very warm or hot day with plenty of sunshine, although some cloud moving into the southwest of the region during the afternoon. Light winds. Maximum temperature 28 deg C (82 deg F).

Tonight:
Turning cloudy through the evening and overnight with the risk of some scattered showers, these possibly heavy at times. Another mild night. Minimum temperature 16 deg C (61 deg F).

Thursday:
Likely a dry morning with bright or sunny spells. Scattered showers forming by the afternoon, heavy at times with risk of some thundery downpours. A cooler day than of late. Maximum temperature 25 deg C (77 deg F).

Outlook for Friday to Sunday:
Friday remaining unsettled with heavy showers, potentially thundery. Saturday and Sunday turning mostly sunny and dry, though some light showers still possible.
